## ■ Manager commentary

Having decreased overall risk levels in January, by reducing equity holdings and adding a small position in inflation linked government bonds, the decision was taken to leave target allocations unchanged throughout February.

## ■ Important Information

The value of the underlying funds and the income generated from them can go down as well as up, and is not guaranteed. Investors may not get back the original amount invested. Past performance is not a guide to future performance. Performance is calculated on a total return basis, net of all fees.
